The 7th grade has been reading The Giver, and we did our own simulation of The Ceremony of 12 where I assigned each student their own assignment/job in our community/classroom. After the assignments were given, the students were given the opportunity to reflect on their assignments and fill out an application for a new job if they felt like they were wrongfully assigned. It was a great way for the students to connect with the novel. Here is a slideshow of the 7th grade students and the assignments that they were given: <https://youtu.be/H0cl1eOBY0I>. ~Mrs. Kuhns

## **Washington D.C. Trip** **Summer 2025**

If you are interested in going on the Washington DC Trip in June 2025, the deadline to register has been moved up to January 1st, 2025. This date applies to students as well as adults that are wanting to go on the trip as well. In order to continue to be able to offer this opportunity, it is important to have enough participation and as of right now, there are many spots still available. There are still several fundraising opportunities available for anyone that wants to participate in them, but it is not required. Please let me know if you have any questions, please reach out to Ms. Coston: [bcoston@wcv.k12.ia.us](mailto:bcoston@wcv.k12.ia.us)
