

STUART ELEMENTARY

WEST CENTRAL VALLEY WILDCATS

OCTOBER 2024

We're off to a great start!

Students and staff have already been busy learning and growing skills. With reading and math in full swing, we've already completed a round of assessments that will help us better meet students' academic needs.

Book Vending Machine

Thanks to the generosity of our PTO and SRO Sergeant Katie Guisinger's outreach program, our book vending machine is stocked. This will allow our students to get free books throughout the year!

Arrival/Dismissal Reminders

Please remember to notify the office of any changes to your child's arrival or dismissal plans. Student safety is our top priority, and we welcome all communication that helps us ensure that safety.

Clothing and Donations

The weather will be changing soon. Please keep in mind the cooler mornings as your child dresses for the day. We encourage students to keep a jacket in their bags, just in case. Also, as your child outgrows clothing items, please consider donating them to our school. We often supply students with coats, hats, boots, gloves, shoes, pants, shirts, and underpants. We welcome donations to restock our supplies.
